

Approved
Order of the UE "Professional publications"
№ 2 of January 10, 2017

Public contract "On the procedure of publishing original articles in the journals of the UE "Professional publications" (hereinafter "Licensee")

Minsk

№ 2

January 10, 2017

1. This Public contract (hereinafter – "Contract") determines the order of publication of copyright articles in the following international scientific-practical journals (hereinafter – "publications") of the UE "Professional publications":

"Laboratory diagnostics. Eastern Europe";

"Cardiology in Belarus";

"Neurology and neurosurgery. Eastern Europe";

"Reproductive health. Eastern Europe";

"Hematology. Transfusion medicine. Eastern Europe";

"Otorhinolaryngology. Eastern Europe";

"Ophthalmology. Eastern Europe";

"Psychiatry, psychotherapy, and clinical psychology";

"Recipe";

"Surgery. Eastern Europe";

"Emergency medicine";

"Clinical infectology and parasitology";

"Pediatrics. Eastern Europe";

"Eurasian oncology journal";

"Innovative technologies in medicine";

"Dermatovenereology. Cosmetology";

"Dentistry. Aesthetics. Innovation".

On the pages of the mentioned journals, there are published scientific and practical materials on diagnostics, prevention, pharmaceutical and surgical treatment of different diseases, original studies, articles about innovative developments, and other materials.

The editorial boards (councils) of publications include the leading experts of Belarus, Ukraine, Russia, and other countries.

The peculiarity of the journals is the first introduced in the post-Soviet space system of national editorial boards led by chief editors, who interact on a parity basis.

The journals are reviewed. They are included in the lists of publications recommended by the Higher Attestation Commission of the Republic of Belarus and Russian Federation for publication of scientific articles, including competition for scientific degrees of PhD and Doctor of medical sciences.

2. The current version of the Contract is available on the site: <http://recipe.by>
3. The Contract is proposed on a public offer, according to the article 407 of the Civil Code of the Republic of Belarus. In particular, placement of the text of this public contract on the official website www.recipe.by is an offer addressed to an indefinite number of persons, with the aim to conclude the agreement on the conditions specified in it.
4. Conclusion of the Contract is done by joining the Contract by the author, that is by acceptance of conditions of the Contract by the author generally, without any conditions and exceptions (article 398 of the Civil Code of the Republic of Belarus), after preliminary approval of the content of the author's presentation at the specified event.
5. The fact of acceptance of conditions of the Contract by the author is sending the materials for publication in the journals of the Licensee.
6. In these respects, the author acts as the Licensor, the UE "Professional publications" acts as the Licensee.
7. The coordinated material between the Licensor and the Licensee, as an object of copyright, is assigned by the Licensor in favor of the Licensee for free, on conditions of non-exclusive license.
8. Alienation and granting of rights to each object of intellectual property of the author, that is copyright assignment, is carried out free of charge for up to two calendar years.
9. Confirmation of non-exclusive assignment of copyright from the author in favor of the Licensee is the fact of publication of copyright material in one of its publications.
10. Licensee as copyright holder owns a non-exclusive right to carry out or permit the following actions with respect to each given copyright object during the next two calendar years:
 - repeated reproduction of each given copyright object, including as reprints;
 - distribution of originals or copies of this copyright object through the sale or other transfer of ownership;
 - public display of originals or copies of this copyright object;
 - other presentation of copyright materials, published in the copyright object, to the public;
 - alteration or other processing of copyright materials, after which the named copyright materials can be used by the Licensee for scientific-practical and publishing purposes;
 - use of the copyright mark on each copy of this copyright object;
 - independently select and arrange copyright materials to create composite works;
 - import of copyright materials in print media covering health issues;
 - the effect of the transferred copyrights is not geographically limited.

11. In case of non-performance or improper performance of obligations under the Contract, its Parties are responsible in accordance with the applicable law of the Republic of Belarus.
12. Disputes and disagreements that may arise in connection with the execution of this Contract will be resolved through negotiations between its Parties.
13. In execution of this Contract, its Parties are guided by the legislation of the Republic of Belarus in all other respects, which are not contrary to its terms.
